Despite what turned out to be very poor conditions Sally Newman of Calder Valley managed to improve on the ladies course record, which was held by Lucy Whittaker and came in, in 82-05 bettering the record by over a minute.

Paul Green of Sale won the men's race in a time of 69-55. He managed to hold off Malcolm Fowler of Pennine who finished in a very credible 70-25.

The men's team prizes went to Dark Peak who had 3 runners finish in the first ten Rob Barker 3rd, Andrew Middleditch 6th, and Matthew Crane 7th.

The ladies team prize went to Saddleworth who were led home by Karen Mather 55th followed by Sue Ratcliffe 68th and Jill Davis 83rd.

The recent heavy rain made the running difficult and treacherous but despite the poor conditions the entire 104 runners who set out finished the race some the worse for wear. Many thanks to all of those who helped out on the day and made the race such a success. Special thanks to the Saddleworth Mountain Rescue and the St. Johns Ambulance team who ensured that everyone enjoyed the event.
