> Many thanks to all 87 runners who turned up to race in almost perfect conditions.

The field was led home by Malcolm Fowler of Pennine finishing in 67 mins 22 sec. He was quickly followed home by Jonathan Ingram of Saddleworth and Dave Taylor of Dark Peak. Jonathan had led for part of the race and then the lead had changed several times in a closely fought out race to the finish. With the first four runners finishing in just over a minuet between them it was a well contested race The ladies race was won by Lynne Clough in a very respectable time of 81-25 mins. Team glories all went to Saddleworth who picked up both the men's and the female team places. The new revised course was well received by all who took part and hopefully this will remain as the race route for the foreseeable future. Also many thanks to all the people who helped at the race by marshalling on the course without their help the race would not have been the success that it was. I would also like to thank fred Tanner for the use of the mill. Mountain rescue and St Johns who provide excellent safety cover on the day. Finally I would also thank all the landowners who allow us to use their land to run the race.

Good look to all who took part in the race and I look forward to seeing you all next year.

Bob Waterhouse Saddleworth Runners
